## OFFICE SERIES.

*Emphasis is placed on exterior design, and many products adopt a simple and fashionable design style. Scissors are relatively lightweight and easy to carry and store on desks, filing cabinets, or backpacks. Can easily handle paper, tape, fine threads, etc. Lightweight materials ensure that the cutting edges are neat and free of burrs. Use rounded corners. Design and anti slip handles to reduce the risk of accidental cuts.*

## Point ▶ 1

### Newly designed Bernoulli-curve blades

The optimum blade-to-blade angle is maintained due to the specially curved blades. This results in effortless, clean cutting all the way from the pivot point to the blade tip. Furthermore, the specially finished, sharp-edged blades produce little friction, ensuring smooth cutting even along curved lines.

## Point ▶ 2

### Premium blades

Ideal home and office scissors, our adult scissors feature high-performance, titanium-bonded blades that are harder than steel and offer longer lasting performance.

## Point ▶ 3

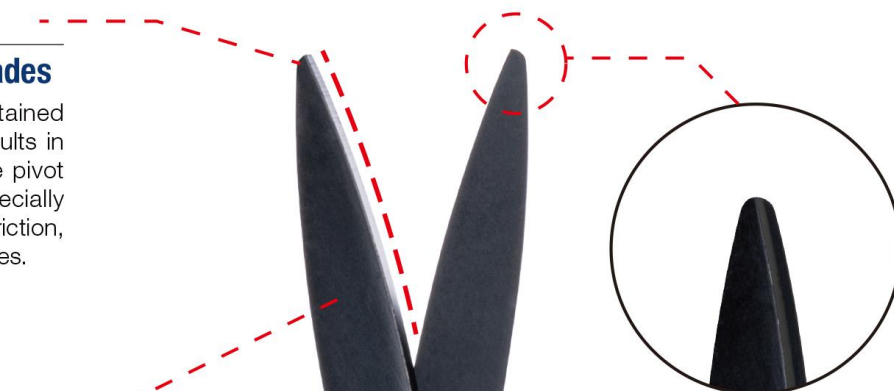

### Smooth and durable pivot ring

The pivot ring is precision-made of durable, low-friction material, resulting in long-lasting scissors that will provide years of smooth and comfortable cutting.

## Point ▶ 4

### Fashionable appearance

Any colors are available for you. The plum blossom pattern is elegant and unique, with exquisite patterns, and will not be outdated. The exquisite appearance will make you have a wonderful experience in using.

• Blunt, safety-tip blades.
